

Pakeman Primary School's Sports Report 2013-2014

What is the Sports Premium?

The government is providing £150 million per annum for the academic years 2013/14 and 2014/15 to provide substantial new funding for primary school sport. The funding is being jointly provided by the Departments for Education, Health, and Culture, Media and Sport, with the money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. Each school will receive £8,000 plus an extra £5 per pupil each year for the next two years. Here at Pakeman that will mean we receive around £9,500 a year. Schools must spend the sports funding on improving their provision of PE and sport, but have the freedom to choose how they do this.

Primary PE Sports Grant Awarded

Number of pupils on roll:	330
Basic Grant:	£8000
Additional amount per pupil: £5 x 330	£1650
Total grant received	£9650

Objective of Primary Sports Grant

At Pakeman we are strongly committed to PE. This is evident in the wide range of activities in and out of school that we offer, including being involved in competitive sports. We have a number of specialist staff who support us in delivering high quality provision. We recognise the importance of PE to the health and well-being of our children and the impact the PE curriculum and extracurricular activities can have on the attitudes, confidence and academic achievement of all children.

We are using our sports grant to:

- Appoint a lead practitioner to be an enthusiastic role model who encourages children to participate in regular sports activities and competitions, extends the provision on offer and works closely with local schools to support better collaboration
- Conduct an external audit of current sports provision and develop a strategy for enriching it
- Increase the participation of girls and boys in intra and interschool tournaments and competitions for KS1 and KS2
- Provide sports training for staff
- Extend support from specialist sports coaches into KS1 and EYFS
- Collaborate with other schools through our Futurezone Project (Ministry of Football on Sunday, league)
- Create opportunities for gifted and talented children in sports to extend their skills at a higher level
- Extend the range of after-school sports activities on offer for all children e.g. table tennis
- Train children as sports leaders in the school to act as role models and support the development of skills in other children
- Extend the sports resources available

Record of Sports Grant Spending 2013-14

Item / Project:	Cost:	Objectives:	Outcomes:
