Dear Parent/ Carer,

We're back!

This week was our first SHINE of the academic year. We welcomed back some familiar faces and were joined by new children. I was very impressed with the positive attitude of our new students. The children worked in teams to build towers from spaghetti and marshmallows. We also produced a SHINE Contract, agreeing how we promise to behave this year. This contract is important to us and children will be expected to stick to it throughout the year.

Attendance and allocation of places

Places at SHINE are limited and we always have children waiting to join. Your child has been given a place this year based on the expectation that they will attend every Saturday during term-time. If your child did not attend last week, it is very important that they come this week or their place will be reallocated.

Your school should have given you a letter and paperwork to complete. Please ensure that you complete and return this to staff on Saturday, even if you have returned forms to us in the past.

If your child is unable to attend one week, please call on 0207 6072575 or 07717 211537 to let us know why. After two absences, your child's place will be reviewed and could be at risk. We thank you for your support in enabling your child to attend regularly.

This term

We are excited to introduce our new theme is *Charlie and the Chocolate Factory!* We look forward to exploring this topic with the children. Our pre-Christmas trip will be a visit to see the musical. We will review attendance at half term and children with excellent attendance will be allowed on the trip.

Best wishes
