

14th January 2016/ 97

Dear parent/ carer,

This term

This term our theme is 'Space'. We started by learning about the planets; the children already know an impressive amount! The children are also working on designing their own mission patches, like those worn by astronauts.

This week

We will continue with our space theme. In the afternoon, there will be a 'Moving onto secondary school session, for our year 6s. This will be led by our peer mentors. We're sure the children will have lots of questions about the transition to secondary school and hope to run more of these sessions throughout the year.

Lunches

We are very grateful to Lucy, who cooks lunch for us every Saturday. Over the next few weeks, the menu will be...

16th January: Pizza and chips

23rd January: Stew with potatoes and vegetables

30th January: Pasta

6th February: Stew with pitta bread

All food is Halal. Please inform us if your child has any allergies.

Reminders

We start at 9.50am. **Please make sure that your child arrives between 9.30am and 9.45am.** If your child is unable to attend one week, please call on 0207 6072575 to let us know why.

Best wishes

Hannah Leadbeater (Project Manager)

Headteacher: Lynne Gavin NPQH, MA, B.Ed (Hons)
