

23rd June 2016/ 111

Dear parent/ carer,

This week

This week we have an action-packed Saturday! To launch the new Pakeman science lab, we will have an exciting show and session led by a Mad Scientist... The children will continue their recordings in the radio station. Also, we have an exciting drumming session planned. There is so much to fit in that we will be having a slightly later finish. **We hope that you can join us from 3.00 – 3.15pm to hear the results of the drumming session. We would ask that your child stays until 3.15pm to share in this.**

Next week

Next week is our SHINE Olympics! Our teams- the Spartans, Olympians and Athenians- have been training hard for what promises to be a very competitive day... If possible, could you please try to dress your child in their team colours. These are:

Olympians: yellow
Spartans: red
Athenians: blue

Our SHINE Olympics will be held in Tufnell Park from 10.30am-2.30pm. Activities will **begin at 11.00am and the children will be back at school by 2:30pm**. Parents are welcome to come along to support the athletes and lend a hand where possible. Please ensure that your child is supplied with generous layers of **sun cream** throughout the day and that they have **sufficient fresh water/juice** to drink. A **sun hat** is advisable.

Children will need to bring a packed lunch on the day with plenty of non-fizzy drink. There may be a race for adults towards the end of the day. All children must be brought to and collected from the school unless alternative arrangements are made with Hannah.

Best wishes,

Hannah Leadbeater (Project Manager)

Headteacher: Lynne Gavin NPQH, MA, B.Ed (Hons)
