

16th January 2017/ 124

Dear Parent/ Carer

Last week

We were off to a good start last week with this terms new theme 'Nature'.

In literacy children looked at poetry based on nature.

In science students had to identify and describe the functions of different parts of flowering plants.

In the afternoon students began designing based on this theme, they will then recreate their design in felt and cotton. They will learn different decoration techniques such as applique and embroidery to create a patch work wall hanging.

Goodbye

We also said Goodbye to one of our TA's Dale Innes, who is going on to do a PGCE to become a primary teacher. We wish him all the best.

This week Coffee Morning

Saturday 21st January all parents and carers are invited to join us for coffee and croissants when dropping your children off at 9.45am. This will be a chance for you to meet other SHINE parents, your SHINE teaching team and SHS co-ordinators. You will also be able to stay for a short assembly to find out a little more about what the children get up to on a Saturday!

Newsletters by email

If you would like to receive the Shine newsletter by email from now on, please give your email address to your school SHS practitioner.

Reminders

Thank you for your support in bringing your child to SHINE every week. Please arrive at school no earlier than 09:50 in the morning. If your child is unable to attend one week, please let us know why. On Saturdays, please call 020 7607 2575 to inform us of any absence.

SHINE is a fantastic provision offered to your child, which I know you all appreciate very much. However, if your child misses two sessions in a row without you informing us of the reason for their absence, they will be taken off roll and another student will be given their place, due to the high demand for places by those on the waiting list.

Kind regards

Eunice Burlingham (Project Manager)

Headteacher: Lynne Gavin NPQH, MA, B.Ed (Hons)
