Dear Parent/Carer

Last week

Students benefited enormously from our learning sessions about nature in science and literacy. During the afternoon session they enjoyed observing the handicraft embroidery. Next week students will have a go at hand stitching and learning the names of different types of stitches.

Thank you to the parents who attended the coffee morning. It was a huge success and it was great to hear the positive feedback. Among the comments received are:

We hope to make coffee mornings a regular occurrence on the second Saturday of every term.

My older child encourages my younger child to attend every week because of the benefits she received by going.

"My child's confidence has been boosted, she is able to make friends, she is also doing better academically all since coming to Shine."

Reminders

Thank you for your support in bringing your child to SHINE every week. Please arrive at school no earlier than 09:50 in the morning. If your child is unable to attend one week, please let us know why. On Saturdays please call 020 7607 2575 to inform us of any absence. SHINE is a fantastic provision offered to your child, which I know you all appreciate very much. However, if your child misses two sessions in a row without you informing us of the reason for their absence, they will be taken off roll and another student will be given their place, due to the high demand for places by those on the waiting list.

Kind regards

Eunice Burlingham (Shine Project Manager)
