Dear Parent/Carer

### Last week

We enjoyed another successful coffee morning with 11 parents joining us. We were able to discuss what is working well at SHINE and any concerns the parents and carers may have had. It was an extremely encouraging meeting with everyone left feeling very positive and hopeful for the benefits that SHINE provides their children with.

Below are just some of the observations from the parents.

The children really enjoy the science lessons as they are really practical.

My child loved the science day. Particularly the mobile planetarium. He learnt so much from that.

SHINE has helped my child with their SATS

“It doesn’t feel like School”  
“They learn lots from each other and the tutors”

The children love the food at shine

Other parents are jealous that their children do not attend SHINE

The children were asked to bring in an outfit as part of our Cultural theme celebrating the differences at SHINE. In the afternoon the children enjoyed participating and watching a mini fashion show. Well done to all the students who took part in organising, directing, modelling and playing musical instruments for the show.
