2nd October 2018/160

Dear Parents/Carers

Last week

The children thoroughly enjoyed their first day back at SHINE. We welcomed many new children who found the experience of SHINE refreshing and exciting.

This terms theme is 'Aspirations'. We are taking the view that you are never too young to start thinking about your future career. Children we be researching what they would like to do when they grow up and the steps they need to take to make their ambitions a reality. We will have guest speakers who will talk to the children about their profession and what they needed to do to get there.

In Literacy the students were looking at the author JK Rowling and discovered that she made an excellent role model due to her determined resilience to adversity.

In Science the students were looking at living things so they were creating leaves and writing about themselves on the back. In Maths they were exploring place value by looking at multiplication and addition.

This week

As part of our 'Aspirations' theme we are pleased to announce that we have a Doctor coming to SHINE in the afternoon to discuss with the children what life as a Doctor is really like. There will be a slide show presentation and the children will have an opportunity to have a look at and use some of the tools that a Doctor uses. There will also be a question and answer session at the end where students will get to ask whatever they want.

Reminder

Please arrive at **9:50am for registration. Lessons will begin at 10:00am.** School ends at **2:50pm**

If your child is unable to attend a session please ring the SHINE team on 0207 607 2575

Kind regards

Eunice Burlingham
