Dear Parents/Carers

Last Week

The children enjoyed another brilliant day at SHINE, particularly in maths, where they got to be the teacher for the lesson and explain how to convert complex fractions into simple fractions. All students participated well and really benefited from this style of learning.

During enrichment students looked at shape and form and were able to create their own 2D and 3D images. It is a joy to see the children's faces light up when they learn something new or figure out a problem they have struggled with. This is the benefit of SHINE, so please continue to bring your child every week so that you can experience the shine in their eyes that new learning brings.

Tate Trip

Our trip to the Tate takes place this Saturday 9th Feb. Please arrive at school no later than 10:00am so we can leave promptly. Children will need a packed lunch, a warm coat and comfortable walking shoes. We will travel to and from the venue by bus. Please collect your child from school at 2:30pm.

Tomorrow will be the last session of **SHINE**, we will return on **Saturday 9th March**.

If your child is unable to attend a session please ring the SHINE team on **020 7607 2575**.

Kind Regards

Eunice Burlingham
Shine Project Manager
