Issue 1, Spring Term 2019

Friday 18th January 2019

Dear Parents/Carers

This is the first newsletter since the holidays and we hope you had a restful and enjoyable break. The children have had a very positive start to the Spring term. They are working hard, enjoying their play and we are looking forward to a happy and successful Spring Term.

Reception project with the Orchestra of the Age of Enlightenment

On Tuesday the children in Reception were thrilled by a visit from two musicians from The Orchestra of the Age of Enlightenment (OAE). The musicians played their double bass and cello and taught the children songs from 'The World Around Us', which is the theme of this year's project. The children really enjoyed the session and joined in enthusiastically with singing and using percussion instruments.

The children will continue to learn the songs and we are delighted to let you know that they will go to a follow up concert on the morning of Friday 8th March at Kings Cross Academy. At this concert there will be children from other schools and a full orchestra. Parents/Carers of Reception children are welcome to attend. Please see Reception staff if you wish to volunteer to accompany the trip.

Please can we remind parents/carers that while they can take photographs and record videos of their children during our assemblies, school productions, nativity and other school events, they MUST NOT post any images or video content onto any form of social media.

2+ Centre places available for April 2019 intake

We have morning and afternoon places currently available in our fun, exciting and nurturing 2+ centre for children born between:

1st January and 31st March 2017

Places are allocated on a first come first served basis. If you would like to apply for one of these places for your child, then please firstly check your eligibility on the Islington Council website under Admissions. Once you have a letter confirming your eligibility, then please contact Ann in the school office on 020 7607 2575 or email her at adwyer@pakeman.islington.sch.uk

Playtimes

We are delighted with the progress we've made in improving playtimes. The children are very engaged in their play and describe playtimes as 'much better than before'. The greatly increased range and type of activities on offer is encouraging children to communicate and develop their language, and to cooperate well with each other, such as in turn-taking. An added bonus is that the children's greater satisfaction at playtime has led to faster settling down to learning once they are back in their classes.

Safeguarding

Pakeman Primary School is committed to safeguarding, child protection and promoting the welfare of children and young people. The full Safeguarding and Child Protection Policy is on our website at:

A hard copy of the policy may also be obtained from the school office.
