

Pakeman Primary School's Sports Report 2016/17

What is the Sports Premium?

The government is providing £150 million per annum for the academic years 2013/14, 2014/15, 2015/16 and 2016/17 to provide substantial new funding for primary school sport. The funding is being jointly provided by the Departments for Education, Health, and Culture, Media and Sport, with the money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. Each school will receive £8,000 plus an extra £5 per pupil each year for the next two years. Here at Pakeman that will mean we receive around £9,500 a year. Schools must spend the sports funding on improving their provision of PE and sport, but have the freedom to choose how they do this.

Primary PE Sports Grant Awarded

Number of pupils on roll:	334
Basic Grant:	£8000
Additional amount per pupil: £5 x 340	£1670
Total grant received	£9670

Objective of Primary Sports Grant

At Pakeman we are strongly committed to PE. This is evident in the wide range of activities in and out of school that we offer, including being involved in competitive sports. We have a number of specialist staff who support us in delivering high quality provision. We recognise the importance of PE to the health and well-being of our children and the impact the PE curriculum and extracurricular activities can have on the attitudes, confidence and academic achievement of all children

We are using our sports grant to:

- Employ a lead practitioner to be an enthusiastic role model who encourages children to participate in regular sports activities and competitions, extends the provision on offer and works closely with local schools to support better collaboration.
- Employ a specialist 'dance and movement' coach to ensure progression and consistency in the teaching of dance throughout the school, from Nursery to Year 6. This also enables thorough assessment of each child in collaboration with the lead practitioner and support staff.
- Future Zone PE network group to discuss and share good practice, develop assessment strategies, schemes for PE and evaluate and develop a strategy for enriching PE teaching.
- Increase the participation of KS2 girls in sports clubs, such as tennis and running clubs.
- Increase the participation of EYFS and KS1 children in sports clubs, such as football club.
- Provide sports training for staff
- Collaborate with other schools through our Future zone League matches
- Create opportunities for gifted and talented children in sports to extend their skills at a higher level
- Extend the swimming provision throughout KS2

Record of Sports Grant Spending 2016/17
