

Changes to my school routines

In the next few months there will be some changes  to my school routines.

Because of the Coronavirus my school is closed.

This is no-one's fault.

It's what the government has asked us to do to stop the virus spreading.

This is a change. But it's ok. 

I will go to another school. A school that is open.

Welcome to our school!

I will meet new friends

and I will learn new things,

just like in my own school.

My school will let me know when we can go back.

But, for now, I can try to do my best and friends.

enjoy my new

This way everyone will be happy with me!

Well done!
