**Addendum to Safeguarding and Child Protection Policy
COVID-19 Spring Term 2021 arrangements for
Safeguarding and Child Protection at
Pakeman Primary School**

Review Date: January 2021

Next Review Date: January 2022

Ethos Statement

Pakeman School offers a positive, safe learning environment for its community, in which everyone has equal and individual recognition and respect. We celebrate success and are committed to the continuous improvement and fulfilment of potential in every child. We encourage increasing independence and self-discipline amongst the pupils. Everyone within the school has an important role to play in sharing responsibility for the development of positive behaviour and attitudes.

Addendum to Safeguarding and Child Protection Policy

COVID-19 Spring Term 2021 arrangements for Safeguarding and Child Protection at Pakeman Primary School

Signed by: Janet Convery on behalf of the Governing Body

Date:

Date shared with staff:

Key contacts	Name	Role	Contact No	E mail
Designated Safeguarding Leads (DSL)	Tracey Gulliford	Assistant Head	020 7607 2575	tgulliford@pakeman.islington.sch.uk
Deputy Designated Safeguarding Lead (DSL)	Emma Bonnin	Headteacher	020 7607 2575	ebonnin@pakeman.islington.sch.uk
Headteacher	Emma Bonnin	Headteacher	020 7607 2575	ebonnin@pakeman.islington.sch.uk
Chair of Governors	Janet Convery	Chair of Governors	N/A	janetconvery@icloud.com
Safeguarding Governor	Marta Tildesley	Vive Chair of Governors	N/A	martatildesley@btinternet.com

1. Context

On 4 January 2021, the DfE announced that children will learn remotely until the February half term, with schools (reception onwards) and secondary schools remaining open for vulnerable children and the children of critical workers.

This addendum to Pakeman Primary School Safeguarding and Child Protection policy contains details of our individual safeguarding arrangements in the following areas and takes into account the government's Contingency Framework dated 01 January 2021:

- **Vulnerable Children**
- **Attendance Monitoring and Inclusivity**
- **Emergency Numbers and contacting social workers**
- **Designated Safeguarding Leads**
- **Reporting a Concern**
- **Information Sharing**
- **Safeguarding Training or Induction**
- **Safer recruitment**
- **Covid-19 testing and volunteers**
- **Online Safety in School**

- **Online Safety out of School**
- **Mental Health and Wellbeing – supporting children not in school**
- **Mental Health and Wellbeing -Supporting Children in School**
- **Special Educational Needs and Online Safety**
- **Peer on Peer Abuse**

2. Vulnerable Children

Senior leaders, especially the DSL, know who our most vulnerable children are. Vulnerable children may include those who are/have:

- Children in Need under Section 17 Children Act 1989
- A Child Protection Plan under Section 47 Children Act 1989
- Looked after children and care leavers
- Adopted children or children with a special guardianship order
- A social worker
- An EHC plan
- Living in temporary accommodation
- Young carers
- Children on the edge of receiving support from children’s social care
- Children who may have difficulty in accessing remote education
- Children who may be receiving support or managing risks to their mental health
- Children eligible for free school meals (in and of itself should not be the determining factor in assessing vulnerability).

Our school will continue to work with and support children’s social workers to help protect vulnerable children. This includes working with the local authority virtual school head (VSH) for looked-after and previously looked-after children. The lead member of staff for this is Tracey Gulliford.

There is an expectation that vulnerable children who have a social worker will attend school, so long as they do not have underlying health conditions that put them at risk. In circumstances where a parent does not want to bring their child to school, and their child is considered vulnerable, the social worker and the school will explore the reasons for this directly with the parent.

Where parents are concerned about the risk of the child contracting Covid-19, the school or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

3. Attendance Monitoring and Inclusivity

All children deemed clinically extremely vulnerable are advised not to attend school. Children who are not in school during the lockdown commencing on 5 January 2021 due to Covid-19 reasons, should be recorded as code X.

The DSL and social workers will agree with parents whether children in need and other vulnerable children, should be attending school – the school will then follow up with a telephone call to parents to follow up on any absence of any child who is expected to attend school.

The school will also follow up with any parent who has arranged care for their child(ren) (pre-reception) and the child(ren) subsequently do not attend.

For those children who are unable to do remote working because they do not have access to a device or an internet connection, the school will provide a device and/or dongle/data access.

For those children who are not taking part in remote education and are not attending school, a safe and well check will be made by the school every week and a paper learning pack will be available. If we are unable to contact parents by phone or email we will carry out home visits.

4. Emergency numbers and contacting social workers

To support the above, the school will, when communicating with parents/carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers (at least one).

In all circumstances where a vulnerable child with a social worker does not take up their place at school, or discontinues, the school will notify their social worker.

5. Designated Safeguarding Leads

The school has a Designated Safeguarding Lead (DSL) supported by deputies:

- The Designated Safeguarding Lead for the school is Tracey Gulliford
- The Deputy Designated Safeguarding Lead for the school is Emma Bonnin

DSLs should have sufficient time, especially in the first weeks of term to:

- Provide additional support to staff and children regarding any new safeguarding and welfare concerns
- Handle referrals to children's social care and other agencies where appropriate

It is preferable to have a trained DSL (or deputy) available on site. If this is not possible, a trained DSL (or deputy) should be available via phone or video call - for example when working from home.

Where a trained DSL (or deputy) is not on site, in addition to the above, a senior leader will assume responsibility for co-ordinating safeguarding on site.

This might include updating and managing access to the child protection online management system, CPOMS and liaising with the offsite DSL (or deputy) and as required, liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the school.

It is important that all staff and volunteers have access to a trained DSL (or deputy). On each day staff on site will be made aware of who that person is and how to contact them.

DSLs will coordinate multi-agency working within the school, including communication with school nurses. This is important for safeguarding and supporting wellbeing, as school nurses have continued virtual support to pupils who have not been in their setting.

6. Reporting a concern

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding and Child Protection Policy, this includes making an electronic record, which can be done remotely if necessary. In the unlikely event that a member of staff cannot access the electronic recording system from home, they should email or Wimi the Designated Safeguarding Lead, the deputy DSL and the Headteacher and confirm by telephone call. This will ensure that the concern is received.

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should inform the headteacher or in the event of her absence, one of the DSLs or deputies. If there is a requirement to make a notification to the

headteacher whilst away from school, this should be done verbally and followed up with an email to the headteacher/DSLs or deputies.

Concerns around the Headteacher should be directed to the Chair of Governors: Janet Convery in the first instance or Marta Tildesley, the Vice Chair, in her absence.

7. Information Sharing

The school continues to have appropriate regard to data protection and the GDPR, that they do not prevent the sharing of information for the purposes of keeping children safe. Further advice about information sharing can be found at paragraphs 82-88 of KCSIE 2020. The school will share information with a new setting where vulnerable children or children at risk of harm move schools. As a minimum the following will be shared:

- EHC plan
- CIN/CP information and plans
- Social worker contact details
- PEP and name of Virtual School Headteacher
- Any safeguarding concerns

8. Safeguarding Training and induction

All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2020) (KCSIE) and Annex A if they work directly with children (at a minimum). The DSL should communicate with staff any new local arrangements due to the pandemic, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter the school, they will continue to be provided with a safeguarding induction which includes the Safeguarding policy, the identities and role of the DSLs, the staff code of conduct and how the school manages children missing in education.

9. Safer recruitment

The school will continue to follow safer recruitment practices set out in statutory guidance when recruiting new staff and volunteers. Staff and volunteers who have not undergone safer recruitment checks must not be left unsupervised or allowed to work in regulated activity.

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, the school will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2019) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

Where the school requests scanned documents for identity, right to work, etc., we will insist on seeing the originals before any new member of staff commences in post.

The Disclosure & Barring service have set out the steps they are taking to ensure people who work with vulnerable groups are still appropriately vetted during the pandemic - <https://www.gov.uk/guidance/covid-19-how-dbs-is-supporting-the-fight-against-coronavirus>

Where the school are using volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 183-188 of KCSIE 2020. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

The school will continue to follow the legal duty to refer to the DBS, anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 181 of KCSIE.

The school will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 143 of KCSIE 2020 and the TRA's 'Teacher misconduct' advice for making a referral by emailing Misconduct.Teacher@education.gov.uk

Whilst acknowledging the challenge of the current national emergency, it is essential from a safeguarding perspective that school is aware, on any given day, which staff/volunteers will be in the school, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, the school will continue to keep the single central record (SCR) up to date as outlined in paragraphs 164 to 171 in KCSIE.

10. Online Safety in School

The school will continue to provide a safe environment, including online. This includes the use of an online filtering and monitoring system. Where pupils are using computers in school, appropriate supervision will be in place.

Staff can contact The [UK Safer Internet Centre's professional online safety helpline](#) for support and any online safety issues they face.

To deliver remote learning safely, it should be seen as an extension of school. The school has clear expectations about what behaviour is acceptable from all staff as per the school staff code of conduct which helps everyone to understand the appropriate way to behave. The staff code of conduct not only protects children from abuse but also limits or prevents any allegations or incidents of inappropriate behaviour. It also ensures everyone - staff, volunteers and children feel safe, respected and valued.

The school adheres to the principles set out in the [guidance for safer working practice for those working with children and young people in education settings published by the Safer Recruitment Consortium](#) to help satisfy itself that the Staff Code of Conduct is robust and effective.

The Safer Recruitment Consortium have published an addendum covering the different situations faced with to help schools apply safe systems of work during the pandemic, here is the link:

[Addendum to Safe Working Practice during COVID](#)

There are also helpful resources from LGfL eg 20 Safeguarding Considerations for remote learning [Livestreaming \(lgfl.net\)](#)

Support is also available from:

- [Safe remote learning](#), published by SWGfL
- [Online safety and safeguarding](#), published by LGfL, which covers safe remote learning
- The National Cyber Security Centre, which includes [Video conferencing services: security guidance for organisations](#) and [Video conferencing services: using them securely](#)
- [Safeguarding and remote education during coronavirus \(COVID-19\)](#)
- Annex C of [Keeping children safe in education](#)

11. Online Safety out of School

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Safeguarding and Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

The school will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

We will take into consideration the following while delivering virtual lessons, especially where webcams are involved:

- No children will be taught on a one to one basis
- Staff and children must wear suitable clothing, as should anyone else in the household.
- Any computers used should be in appropriate areas, for example, not in bed; and the background should be blurred.
- The live class should be recorded so that if any issues were to arise, the video can be reviewed.
- Live classes should be kept to a reasonable length of time, or the streaming may prevent the family 'getting on' with their day.
- Language must be professional and appropriate, including any family members in the background.
- Staff must only use platforms provided by the school to communicate with pupils
- Staff should record, the length, time, date and attendance of any sessions held.

Parents/carers will be reminded of the need to limit screen time and of ensuring the online safety of their children during these difficult times including the use of parental controls and avoiding children's use of the internet alone in a room. Parents/carers will be signposted to support to keep their children safe online including:

- [Internet matters](#)
- [London Grid for Learning](#)
- [Net-aware](#) - for support for parents and carers from the NSPCC
 - [Parent info](#) - for support for parents and carers to keep their children safe online
 - [Thinkuknow](#) - for advice from the National Crime Agency to stay safe online
 - [UK Safer Internet Centre](#) - advice for parents and carers

Children should be signposted to reporting any concerns and to get appropriate practical support from:

- [Childline](#) - for support
- [UK Safer Internet Centre](#) - to report and remove harmful online content
- [CEOP](#) - for advice on making a report about online abuse

The school will take into account [guidance from the UK Safer Internet Centre on safe remote learning](#) and from the [London Grid for Learning on the use of videos and livestreaming](#) to help plan online lessons and/or activities and plan them safely.

12. Special Educational Needs and Online Safety

The school will work with experts including educational psychologists, speech and language therapists and teaching assistants to design at home learning and support for children with education, health and care (EHC) plans.

Where it is difficult to deliver the provision specified in the Education Health and Care plan, decisions on how this could be overcome will be made on a case-by-case basis.

The school recognises the different needs of children with special educational needs and disabilities in terms of online safety and commits to the following:

- **Educating and engaging parents on the principles of online safety so they know the dangers** of what unsupervised internet access can create.
- **Encourage parents to check what their children are doing online and using parental controls** on their computer so that they are comfortable that children are not wandering into dangerous territory.

For parent-led information on SEND online safety and mental health:

SEND <https://www.specialneedsjungle.com/keeping-children-with-send-from-getting-lost-in-digital-space/>

13. Mental Health and Wellbeing: Supporting children out of school

The school is committed to ensuring the safety and wellbeing of all its children.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child.

Details of this plan must be recorded, as should a record of any contact made.

The communication plans can include; remote contact, phone contact, door-step visits. Other individualised contact methods should be considered and recorded.

The school and its DSLs will work closely with all stakeholders to maximise the effectiveness of any communication plan. This plan must be reviewed regularly (at least once a fortnight) and where concerns arise, the DSL will consider any referrals as appropriate.

The school will share safeguarding messages on its website.

The school recognises that school is a protective factor for children, and the current circumstances can affect the mental health of pupils, teachers and their parents/carers. Teachers will be aware of this in setting expectations of remote school work.

The school will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded.

Children can use [Toolbox | Childline](#) for support which includes games, videos and exercises to help them handle their emotions, and specific information about coronavirus and going back to school

14. Mental Health and Wellbeing: Supporting Children and Staff in School

The school will continue to be a safe space for all children to attend and flourish. The Headteacher will ensure that appropriate staff are on site and staff to pupil ratio numbers are appropriate, to maximise safety.

The school will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

The school will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded.

The school understands there are extra pressures on staff during this difficult period. Any member of staff can contact the Education Support Partnership:

Education Support Partnership Helpline:

Telephone: 08000 562 561 (24/7)

Text: 07909 341229

Website: <https://www.educationsupport.org.uk/>

For support around Covid-19:

DfE Coronavirus helpline

Email DfE.coronavirushelpline@education.gov.uk

Telephone 0800 046 8687

15. Peer on Peer Abuse

Peer-on-peer abuse is most likely to include, but may not be limited to:

- Bullying (including cyber-bullying)
- Physical abuse such as hitting, kicking, shaking, biting, hair pulling or otherwise causing physical harm
- Sexual violence and sexual harassment
- Upskirting
- Sexting (also known as youth produced sexual imagery or sharing nudes)
- Initiation/hazing type violence and rituals

as per paragraph 29 of [Keeping Children Safe in Education](#)

During the lockdown, a revised process may be required for managing any report of such abuse and supporting victims. The school recognises the increased risk of online peer-on-peer abuse through the absence of normal face-to-face contact and heightened use of social media.

Where the school receives a report of peer-on-peer abuse, we will follow the principles as set out in part 5 of KCSIE and of those outlined within the school Safeguarding and Child Protection Policy.

The school will listen and work with the child, parents/carers and any multi-agency partner required to ensure the safety and security of that child or children.

Concerns and actions must be recorded and appropriate referrals made.
