School**

Issue 11 Spring Term 2021

Friday 26th March 2021

Thank you for taking the time to read this weekly newsletter. We hope you will find its contents useful.

## Red Nose Day

Children and staff had a great day dressing up in support of this year's Red Nose Day. I think if there had been a prize for the biggest red nose in the country then Pakeman could have won it! We raised an amazing **£271.70** for the Red Nose charity and had great fun being part of the event. A special mention to Theo in Red class who donated £20 from some money his gran had given to him.

Leila (Red class)  
Yamina (Brown class)  
Hanifa (Pink class)

## Rainbow Thank You Cards

Years 1 and 2 made these lovely rainbow cards to say thank you to the adults who helped them at home during lockdown.

## Way Home

Years 5 and 6 have recently been reading **Way Home** by Libby Hathorn and Gregory Rogers. The children have produced some incredible art with ideas inspired from this book. They used some oil pastels to create art, including the character Shane. The children also created wonderful collages and poems all about the city at night. To create the collages they cut out a template of the buildings in the city and used white paint to splatter stars into the sky. They then used different coloured paper to create various buildings and made them stand out against the dark sky.

## Storytime - Free Reading Catch Up Pack

**Storytime** is a monthly magazine for children filled with lots of tales to read. Each magazine is packed with a selection of stories, including fairy tales, poems, fables, myths and legends. It has fun activities and puzzles too. Storytime have just created a free **Reading Catch Up Pack** which includes tips and advice for parents and carers. In the pack you'll find stories, a story hunt, reading cards, charts, a word quest, reading reward bookmarks and much more.

[There's a link to it here](#) - we hope that you find it useful.

## Made of Money Project

We recently took part in some free webinars from the **Made of Money** project. They have now provided us with some useful links to children's activities on their website.

Parents and carers might want to listen to this podcast extract. Bari Tessler is an American money coach so they're talking dollars rather than pounds, but you might still find this a useful link: <https://soundcloud.com/baritessler/money-conversation-starters-with-your-kids>

## Islington Activities

Islington's libraries, youth hubs and playgrounds are set to host many fun activities in the run-up to Easter next week. Children will be given the chance to make their own chocolate eggs and themed flip book animations. Activities begin **Monday 30th March**. Full details of a range of events being held in the borough can be found online by searching the council's events diary [www.islington.gov.uk/events](http://www.islington.gov.uk/events)

Islington Play Association will also be welcoming children into their playgrounds for the school holidays. Adventure Playgrounds are free for all children. Children aged 6 years plus can play in four available adventure playgrounds – Crumbles Castle, Lumpy Hill, Timbuku and Toffee Park. Children who use these playgrounds must be registered with IPA. If you are not already registered please follow the link [Register Your Child](#)
