Thank you for taking the time to read this weekly newsletter. We hope you will find its contents useful.

## A Day at Wembley

Redon in Orange class had a wonderful experience this week. His lucky name was drawn from a hat in a selection process which allowed one Pakeman child to go to Wembley and be a team mascot. Amazingly, the day happened to be when England and Germany were playing. Redon spent the day at Wembley and got to chat with some ex football players, including David Seaman who played as a goalkeeper for Arsenal and England. Redon was presented with a new football kit and trainers and he sat in the best viewing seats in Wembley. It sounds like it was an incredible day.

## Chessington - World of Adventures

Year 6 children had the most amazing day at Chessington World of Adventures on Thursday. Special thanks go to our staff - Harry, Bex, Rob, Estelle, Vicky, Marcia, Tay and Sara for keeping year 6 fully entertained and safe for the day.

## Nursery in the Garden

Some of our nursery children have been getting excited about the snails in the nursery garden. They have been taking extra special care of them whilst outside.

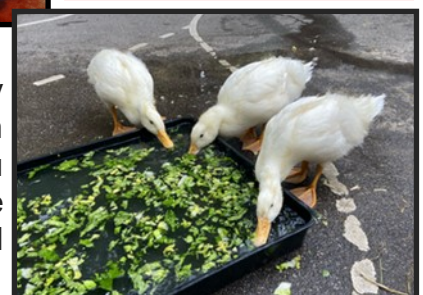

## 2+ have another busy week

2+ have been busy creating shapes with playdough this week. They made a big red bus using different shape moulds, such as rectangles and circles. They also enjoyed a sing-a-long to one of their favourite songs, 'Wheels on the Bus'. They loved riding along on their very own bus in the 2+ classroom.

The children also made Ducky, Fluffy and Rainbow with play dough and moulds, after their visit to see the Pakeman ducks in the Reception playground. The ducks are really growing. If you would like to catch up on how they've grown and how well they're being looked after, take a look at the homepage on the school website for an update. ## Cooking Club

This week Cooking Club took their pasta making skills to the next level! The children used their freshly made pasta dough and hand rolled it on Cavatelli boards. They then completed their dish with a rosemary and garlic butter sauce using rosemary harvested from our Reception playground.

## Gardening Club

Our gardeners harvested their broad beans and potatoes, ready for our cooks to use this week! They've been doing a wonderful job looking after their garden produce.

Well done to our Gardening Team.

## World Chocolate Day - Competition Time

Chocolate Day is celebrated each year on the 7th July. This is believed to be the day in 1550 that cocoa was first brought into Europe. Before that, chocolate had only been enjoyed in specific regions of the world, such as South and Central America.

We are holding a Chocolate Day Competition. We would like you to create an A4 page size recipe for something .....

**chocolatey** – it could be a cake, biscuit, muffin or anything you want. It just needs to be a chocolate recipe.

Your page needs to be well presented and colourful. You can make it on the computer or draw it yourself.

If we have lots of delicious looking recipe pages, hopefully we can create our very own **Pakeman Chocolate Recipe Book**.

**There will be prizes on Wednesday – chocolate themed of course!**

So why not get creative and search out some recipes.

All entries must be handed into the office by **Wednesday morning, 7<sup>th</sup> July**. Good luck!
