--------	--

Language and communication groups are carried out in different ways depending on the needs of your child. Published schemes include **Wellcom**; Wellcom is a speech and language toolkit for screening and intervention in the early years. It enables early years practitioners to regularly profile children's speech and language and to identify children at risk of developing delayed communication skills. The link Speech Therapist also develops individual programmes for specific children which are then carried out by a member of staff.

Volunteer Readers are people from the community who read weekly with children who need extra support.

Beanstalk is a charity that provides volunteers to support with reading twice a week for 30 minutes.

Project X is a guided reading project.

Tutor Mate is a 1:1 voluntary reader computer based programme.

Circle of friends is a weekly peer support group to help develop friendships.

Emotional Literacy Support group is a weekly group to support children in regulating their emotions.

Lego Club is a group which helps to develop social skills, listening to and following instructions, giving instructions, use of specific language, turn taking and teamwork.

Action Tutoring is 1:2 tutoring programme in maths and reading which takes place before school on a weekly basis.

Shine takes place on a Saturday and is aimed at broadening children's experiences through a variety of activities.

Saturday School takes place in the mornings for targeted Year 6 children.
