## World Book Day

The children had a great day celebrating World Book Day. Many children and staff came to school in pyjamas. Lots of exciting activities took place around the school throughout the day. Thank you to Harry for organising the day. Thanks also go to our local Morrisons who donated a hamper of lovely books to Pakeman.

## Goodbye to Fluffy, Ducky and Rainbow

Our resident ducks are beginning to get too big for their home in the Reception playground. We have therefore made the decision to rehome them. Fluffy, Ducky and Rainbow will soon move to a lovely big pond. They have brought everyone so much pleasure over the past few months, as we have watched them grow from tiny ducklings to the beautiful ducks we see today.

## Online Safety

Online safety remains a priority, so it is good to remind ourselves of the issues that our children face online and the resources available to help tackle these issues. The NSPCC provide good online safety talks for parents and carers.

If you would like to have conversations with your child about online safety check the link below for some useful tips:

## Climate Change Protesters - Years 3 and 4

Years 3 and 4 have been learning about Energy and Power. This topic culminated in a wonderfully noisy protest in the playground about Climate Change last week. The protesters showed off their amazing placards and posters. They also enjoyed making plenty of noise with their chants. It was great to see parents/carers, neighbours and other children getting involved and supporting the protest too.
