School**

Thank you for taking the time to read this weekly newsletter. We hope you will find its contents useful.

Issue 2 Summer Term 2022

Friday 13th May 2022

## The Lighthouse Keeper's Lunch

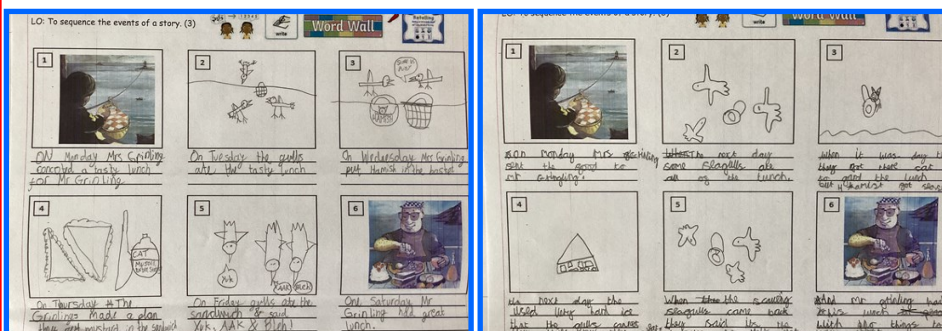

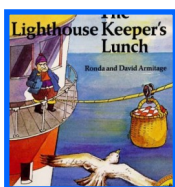

Over the last few weeks, Years 1 and 2 have been reading the story of *The Lighthouse Keeper's Lunch*. They have been retelling the story in great detail and have been busy creating story maps to help write their own stories.

They have had great fun making their own lighthouses just like the one that Mr Grinling rows to each day. They used design technology skills to make their lighthouses strong and stable.

The children have also made, tasted and enjoyed sandwiches like the ones Mrs Grinling makes in the book.

## DATES FOR YOUR DIARY

**Half term**

Mon 30th May

Fri 3rd June

Please remember that the school office **must** have all up-to-date contact numbers for parents and carers plus any additional emergency contacts.

If you have a new telephone number **please** make sure that you inform the office, so that we can contact you should we need to.

<b>EYFS &amp; KS1</b>	Gold Class	Gold Class	Silver Class Yellow Class
<b>KS2</b>	Red Class	Red Class	Blue Class

Join this FREE fun day packed with lots of interactive activities and demonstrations.

## Pakeman Choir go to the O2

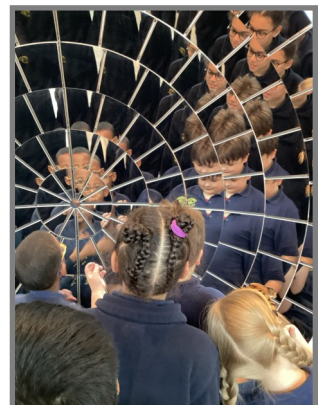

Our music teacher, Jack has been working with the school choir for the past few months, preparing for the Young Voices concert at the O2. The choir joined thousands of other school children from across England, performing songs from a range of genres, accompanied by a live band. The children collaborated with a number of professional singers, beatboxers and dance acts. Half of the O2 was packed with the amazing school choirs, whilst the other half of the venue was filled with family members and friends who came to show their support. We are very proud of our fantastic choir, what an amazing achievement to perform at a world-renowned venue! Thanks to Jack, Ben, Bex, Janet and Tegan for accompanying the trip.

## A Visit to the Science Museum

Years 3 and 4 enjoyed a recent visit to the Science Museum. They followed amazing trails to uncover the science and stories behind both space and electricity related objects. The visit was to support and enhance their classroom topic work.

Everyone agreed that it felt wonderful to have the opportunity to visit museums once again!

# Year 6 SATs

A huge well done to all the children and staff in year 6 for all their hard work this week. You're all super stars!

## Eid Party

A very big thank you to all our parents and carers who helped to make our Eid celebration a wonderful success last week. The food was delicious and it was lovely to see so many of our families coming together.

## Marcia's Cooking Club

Cooking club have been very busy this week making delicious looking apple and blueberry crumble.

If you fancy having a go at making one then why not check out this easy recipe:
