How can we manage the rising cost of living in our community?

The rising cost of living is making things hard for many of us - but there are some things we can do to make it easier.

Come to a coffee morning with Denise from the **Made of Money** project, where we'll be sharing hints and tips on making your money go further and where you can learn about what financial help and advice is available.

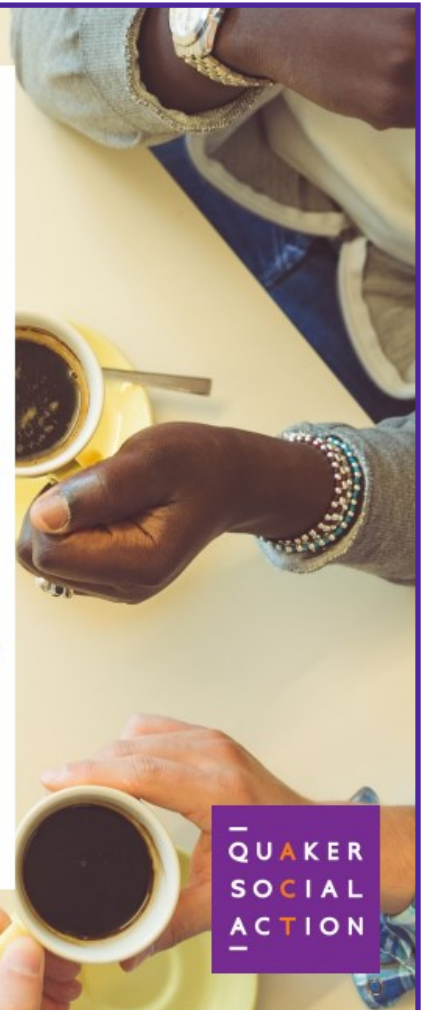

There will be tea, coffee and biscuits too, of course!
