Pride Month

Pride Month takes place every year in June and is a celebration designed to recognise and raise awareness of issues facing the LGBTQ+ community. It also provides opportunities to celebrate the culture of inclusivity, with parades, street parties, community events and more.

This year the Royal Mint has released plans for a rainbow 50p coin to celebrate 50 years of the Pride movement in the UK. The coin features Pride in London's values of Protest, Visibility, Unity, and Equality in rainbows as well as the Pride progression flag.

If you would like some stories to teach your child about equality, diversity and acceptance you might find the following link useful:
