A Budding Author

Ijoma in Orange Class has been working hard over the summer holidays and created her own wonderful story book. We are always delighted when our children produce wonderful work independently.

Well done Ijoma!

City Giving Day

Four lucky children, from Pakeman, got the opportunity to go to the city of London as part of **City Giving Day**. This was thanks to Janus Henderson Investors. Ethan, Zayna, Abubekr and Aviela visited their busy office, where they were welcomed by the Lord Mayor of London and some employees from Janus Henderson Investors.

At the beginning of the academic year, this organisation had very kindly given every Pakeman child a story book. A huge thank you to them for this lovely gesture and for making our children so welcome at their office. Thanks also go to the Lord Mayor for signing the story books. We are also grateful to Rebecca and Vicky for taking the children so that they could enjoy this very special experience.

Letters From California

A while ago, a 96 year old lady called Joan sent us a letter from California to tell us about her time at Pakeman Primary School. Some of our key stage 2 children replied. This week we received 80 postcards back from Joan, all handwritten and individual to each child! Communicating with others can be such a lovely thing. We just wanted to share this uplifting story with you.
