Hildegard's Piano Concert

A big thank you to our piano teacher, Hildegard, for organising a lovely piano concert for everyone this week. It was wonderful for the children to be given the opportunity to see friends perform their latest piano pieces. A very big well done to all the children who took part in the music concert.

December Festive Physical Activity Challenge 2022

Children in year 1 and 2 are taking part in an advent calendar with a twist next month! They have signed up for a fun and festive physical activity challenge starting on Thursday 1st December. This idea is to get children more physically active throughout the month of December.

Behind each calendar door there are different physical activity challenges. The activities include ideas from Arsenal, London Youth Games, The Daily Mile and many more. Most of the activities will be done at school during the week, but there are some for the children to do at weekends and during the holiday.

If you would like more information about the Activity Challenge, please contact Elena Roberts.

Pakeman Needs You - Winter Fair

We are very excited about our forthcoming winter fair. It will be a lovely time for us to come together for some fun events and fundraising. There will be an array of food and drinks for sale plus some crafts to buy and other craft stalls for the children to get involved in. We still need some volunteers to help us on the day with setting up and assisting with stalls. We would really appreciate your help if you can spare an hour or two.

Please email mharris@pakeman.islington.sch.uk if you can help us. Alternatively, join us for our PTA meeting to discuss ways you can support the event. We are very keen to have our parents and carers involved.
