Arsenal Mascots

Year 5 and 6 Get Cycling

Our year 5 and 6 children have worked really hard this week and completed a cycling course with *Bikeability*. The children were taken out in groups of 8 by two nationally accredited cycle instructors. Thanks to their great cycling skills, these children have now completed level 2 training. This allows them to cycle on quiet local roads with an instructor. Well done to all the children involved. If you would like your child to have some **free** cycling training take a look at the following link to see the range of courses that Islington council offer:
