Bread Making In Reception

The children in Reception have been enjoying their new topic, 'What We Eat'. Recently, they have been reading *'The Little Red Hen'* and learning all about bread and butter.

They learned that flour is made from wheat, they made and baked bread and used cream to make their own butter. It looks very tasty!!

Library Sessions

Year 3 and 4 have almost completed their sessions at North Library, with the final class visiting next week. The children have really enjoyed listening to stories being read aloud, selecting books from a wide range of genres and spending quiet reading time in the library. Overall, it has been a great experience for the children.

Read, Write, Share

Year 5 and 6 are close to finishing their recent project that is part of “**Read, Write, Share**”. This is a super initiative run by **The Reading Agency** in partnership with **Camden and Islington Libraries**.

We are so pleased with the amazing poems that all the children have created. All they need to do now is publish them for an anthology!

Mildmay Library Reopening Celebration

Head along for a fun-filled day to celebrate the reopening of Mildmay Library. The day includes activities for all ages including facepainting, crafts, story-time, yoga, line dancing and more.

Create Club

Marcia and the Create Club have been busy using leftover apples from CitiHarvest this week to make delicious apple cake! Can you also spot the shiny new shelves kitted out with new scales, pots and pans? All this has been possible due to the kind generosity of the Cripplegate Foundation and Islington Council's Community Chest who have provided the funding to enable our club to grow and reach more families! Thank you!

Toys Needed - Donate To Libraries Near You

With the new year in full swing, many of us are having a clear-out and rediscovering toys that are still full of life. If you've got a pile of old but wonderful toys looking for a new home, why not donate them?

Islington Libraries are partnering with [the Toy Project](#) to collect and pass on toys to local families and children's centres, helping spread a little joy where it's needed most.

Donations are being accepted **until 31 January** at all [Islington Libraries](#).

Pakeman has often been given toys and games from the Toy Project so it would be lovely if we could support one of their initiatives, if we have some toys and games that we don't use anymore.

Please only donate toys that are in a good condition and fit to be shared.
