History curriculum EYFS, KS1 and KS2

At Pakeman, we are a one and a half form entry school and therefore we have a Year A / Year B cycle of topics in nursery, KS1 and KS2 (this is not needed in 2 Plus or reception). In KS1 and KS2 we use the Kapow scheme of work. Each Kapow unit has a key enquiry question. In 2 Plus, nursery and reception we use Development Matters.

For each Kapow history unit of work, children should be taught the **key knowledge**, **key skills** and **key vocabulary**. Please ensure that this information is fully covered in the series of lessons that you plan. As children move through the school, they will build on prior knowledge, skills and vocabulary.
